Another potential – Afternoon of 11/7 – 11/8 for Parent/Teacher Conferences and early dismissal of the kids for me (sorry! I love how they do this mid-week and in the middle of the day). This is during site mobilization and set-up, so hopefully not a huge lift.

I'm trying to find coverage for the boys since Gary is PDO and this is the RRT meeting, but not having any luck yet.

Also – I don't fly out until the evening of 11/20 – so if necessary I can be at the site most of the day.

Dates that are identified as needing “coverage” are as follows:

11/10

11/20

11/27 (potentially – if Gary is sent on an ER the week before)

12/1 – (unlikely to need help - only an issue if Gary is still on an ER for an extended period)

12/21

Please let us know if you'd be willing/able to cover these dates. The site will continue into 2019, with a potential for conflicts with PDO/RDO as assigned. Once the duty roster is out we can confirm those dates.

Thanks for offering to help.

Hey guys,

Gary and I have FJ Doyle covered for the most part, but there are a few days we could use a hand with OSC coverage at the site (mostly due to Henryetta, PDO/RDO, Use or Lose, etc.). Gary suggested you guys since you live “north” and hopefully it wouldn't be a heavy lift for you. If you think that you

could help, please let me know. We start 11/5 and I'm working with Gary to identify all the dates we need coverage. I can send those to you if you're interested/willing.

THANKs!
